

The Perfect Pair for Engine-Off Year Round Comfort

BlueCool Truck charges while you drive and can cool a bunk for up to 10 hours even in ambient temperatures over 90°F.

Air Top 2000 ST heats the bunk and can operate up to 20-hours on a single gallon of fuel.

C5 Truck means:

- 1) Fuel Savings
- 2) Reduced Engine Wear
- 3) CARB Approved & EPA Recognized
- 4) A Good Night's Rest - No Noise
- 5) No Extra Batteries Required

Engine-Off Cooling

Webasto continuously pushes the envelope of design and development, bringing state-of-the-art technology from concept to reality. With BlueCool Truck, Webasto pioneered the use of Cold Energy Storage in the Global Truck Market. At industry leading efficiency, BlueCool Truck provides sustained comfort, fuel savings, and unmatched Return on Investment.
